Revolymmer renews and expands contracts to supply nicotine gum in Canada

Revolymmer is pleased to announce that it has renewed and expanded the contract to supply its nicotine gum to a Canadian retailer which was first announced in July 2013. During the two and a half years since the initial contract was signed, the Company has seen continuous growth in its revenue stream from this business.

In addition, Revolymmer has signed a separate contract with a distributor supplying nicotine gum into Canadian convenience outlets.

“We are delighted to have successfully retained the Canadian business which has been a driver of revenue growth over the last two and a half years. We also have the potential for further revenue growth in 2016 within the renewed contract and through a new channel to the convenience market,” said Dr Kevin Matthews, Chief Executive Officer of Revolymmer.
