About Revolymer

Revolymer is an AIM quoted company (registered number 08024489) that designs, develops and formulates novel polymers to improve the performance of its customers' and partners' products. The vision for Revolymer is to build a high growth, high quality margin, specialty materials business based on proprietary polymer technology that provides responsive or smart multi-functional materials. The Board believes that the Company's technology has broad application. Revolymer aims to generate growing high quality revenue streams by either licensing its proprietary technologies or through the supply of proprietary products using an outsourced manufacturing model. Current target markets are Household Products, Personal Care and Nicotine Gum.
